

SANITATION HOSE

Recommended Use:

Recommended for use as a sanitation discharge hose within the recreation industry for boats, caravans and recreational vehicles.

Features:

PROUDLY AUSTRALIAN MADE.

A nitrile content of greater than 15% gives this hose excellent resistance to odour permeation plus great flexibility.

Excellent U.V. resistance to withstand extreme Australian conditions.

Smooth inner to prevent residue build up.

Construction:

White PVC / Nitrile blend with a rigid helix

Code	Nom I.D.	Nom O.D.	Work / Pressure @ 20°C	Vacuum Rating *mm hg	Min Bend Radius	Stock Lengths
