

## Drinking Water Hose

### **Features:**

Excellent UV resistance to withstand extreme NZ conditions.

Specially manufactured as to not taint water. AS2070 (non toxic food grade)

Made especially for the conveyance of drinking water. This makes it popular within the caravan, boating and recreational vehicle industries.

Meter marked to make measuring and cutting easier.

### **Construction:**

Inner core: White non tainting polyolefin with a smooth finish.

Reinforcing: High tenacity polyester yarn.

Outer cover: UV stabilised clear polyolefin with a smooth finish.

Nom ID	Nom OD	Working Pressure @ 20°c	Lengths
12.5mm	17.1mm	1 Mpa	20m, 100m
